Applicants for the **Bachelor of Arts in Conducting Track** will submit a video recording of the applicant conducting an ensemble in the performance of one or two musical selections (the performance may be from a concert, religious service, or rehearsal setting). The video should display the front of the conductor directly or from and angle. Any musical style is acceptable, but the recording should be at least two minutes and no longer than eight minutes in length. The video may be submitted electronically (including a link to yourtube page or other weblink) or via mail one week before the scheduled audition. Include a cover letter providing an introduction/overview of your materials and description of your interest in the Conducting Track. Please send materials to:
